

2017 FALL BASEBALL

MOSQUITO/PEEWEE/BANTAM/MIDGET

Sherwood Park Minor Baseball is proud to announce registration for the Fall Baseball Season.

The Season will run from Sept to October, depending on the weather (exact dates to be determined). Midget, Bantam, Pee wee and Mosquito teams will be formed. We hope everyone who signs up for Fall Baseball is able to play, however it may be necessary to limit the number of players to ensure all players will have adequate play time.

This is a great opportunity for players to continue to play the sport they love and work on skills for the next season.

Most games will be in the Edmonton and surrounding areas however there may be travel to other communities, requiring stays overnight at extra cost. Sherwood Park may also host mini-tournaments in this period and therefore some parent volunteer time may be needed.

Fall Ball is strictly developmental – unlimited substitutions, full line-up bat, and no scorekeeping.
