### *The Doc Plotsky Memorial Tournament*

Held in early June, this tournament is hosted by our Rep program, to honour the memory of a man who gave his time and effort to further the development of minor baseball in Sherwood Park. One of the most well known tournaments in western Canada and an event you can be proud to sponsor.

### *House League Tournament*

Our house league tournaments celebrate the hard work of coaches, players and parents with a busy weekend of games, a Hit/Run/Throw competition and prize raffles. Each of our tournaments is attended by over 200 players, parents, friends and family. A great opportunity for local promotion.

### *Challenger Baseball-Future Event\**

Our association is exploring ways to host a Challenger Baseball weekend. This would be a cost-free event for children with disabilities preventing them from participating in a standard program. We not only welcome a title sponsor; if your company would be interested in assisting with coordination and planning the event please contact us.
